To the family of Gail Ann Nowicki,

We are so sorry for your loss. Enclosed is a picture from 2017 of Gail, John and Matt and our family. We got to spend two great weeks in Rochester. Without a doubt and by far our best vacation ever. It was very special to live in the house on 3449 Chili Ave again and spend time with Gail, her family and her friends.

When I filled in the application to become an exchange student I listed my interests as follows. 1. Tennis 2. Tennis and 3. Tennis. Good thing I did that or I probably wouldn't have ended up staying with the Nowickis. Talk about winning the lottery. I feel extremely fortunate having gotten to know such a wonderful family. And gain a lifelong friendship. I'm glad that my family got the chance to see you once in Rochester.

I miss you Gail

Love from Per, Caisa, Anna and Valter

John,

It was so sad to read of your wife, Gail's passing. My thoughts and prayers are with you and all your family.

Its been 40+ years since I think I saw her at one of Hershey Malone's functions for employees.-----It's so sad to read / hear of the passing or failing health of those I used to work with. -------I understand from Grace Barlette that Ken Hershey has been placed in Hospice Care, and Tony's wife, who has been suffering from dementia for a number of years, is now requiring fulltime nurse care at home----------

And so, time marches on------Again, my condolences to you and all your family.
