“ I remember the first time I met Bob Nothnagle.....What a powerhouse of Irish wit, enthusiasm, grace, commitment and strength! And he lived every day that way, I'm sure.

It's been too long since I've seen Bob and Carol.....but through the years, I recall at least 20 walking through the doors of Nothnagle Drilling and Blasting and hearing Bob's booming, gracious welcome.

Heaven will ring with his laughter. His family has had large shoes to fill.

Miss you Bob. Your memory brings a big smile to my face.

God bless you all. We have such wonderful memories!

Thank you Doug, for letting me know.

“ Bob was my school bus driver, back around 1957. As a 1st grader I was very intrigued by the bus so Bob would let me sit up front, next to him, on the heater box. This was even better than a front row seat! We would chat and Bob would explain to me the functions of the various controls. That heater box became my spot on the bus for quite a while. I have never forgotten Bob and his kindness and am saddened to learn of his passing. He was a good man.

“ To the entire Nothnagle Family. We have lost a wonderful friend and mentor. Bob was one of the most thoughtful and special people in our lives. I was admitted to this special family at 18 when I got a call to see if I wanted a job. He was that special "boss" we all pray to work for. The things I learned from he and my father were incredible. There will never be another like him. He will be missed. Linda and I pass on all our thoughts and prayers. He was a blessing to us all.

“ So sorry for your loss. I just loved your Dad. When he came into my work we chatted for a long time. He was always so very proud of all of his family. Such a very nice man that I'm so glad I got to know better. May you rest in piece. Thoughts and prayers go out to you all!

“ Have known Bob since the nineteen sixties. Have enjoyed his loyal friendship and that of his family. And what a wonderful family he has. Have enjoyed socializing and playing golf with Bob. We were at numerous events together and always had a great time. Was hoping for one more beefeater martini with him (in a tall stemmed glass, the only way he would drink it) but never had the chance. Looks like I am going to have to have that martini with a couple of his boys. I am going to guess, and hope, in heaven you only shoot par golf. Goodbye my friend. You will me missed but never forgotten.

Your friend always,
The skinny ginny with the ravioli eyes.
