“ *Al and family, Alan and I are so sorry for your loss. I remember meeting your dad at the Episcopal Church Home when my mom was there for rehab after knee surgery. We chatted for a bit while I waited for my mom to come back from therapy. He was quite the gentleman. I enjoyed our visit. We are keeping all of you in our thoughts and prayers.*

“ *Thank you Mr. Bullwinkel for the best baby shower card ever. Your drawing of the unborn twins (now 14) and the crib was thoughtful and detailed and I will always cherish it.*
