Alison was a wonderful daughter and a loyal sister. She brought joy to her family every day, for all the years of her life. She was a dedicated friend and a hard worker. Loyalty was a strength and a virtue with our beautiful Princess Ali.

So many people have been inspired and influenced by Alison. She was the type of person who was always busy helping someone. She loved children and loved to do special things for adults who might be in need. Ali was an inspiration to so many. Her talent and beauty caught everyone's eye, while her spirit and drive inspired those around her push themselves for greater things. Her laugh was infectious and she had a wonderful sense of humor. She will be dearly missed by all who were fortunate enough to know her.

Alison was a 2018 graduate of Churchville-Chili high school. She attended Anastasia's Spotlight Dance studio from age 3 until graduation. She remained active with the studio and had plans to teach while earning her business degree. She wanted to make dance a part of her life and her future career. Alison always worked to improve her skills. She attended college at Buffalo State and performed regularly with the Legacy dance team. After returning for the summer, Alison assisted with dance camp at Anastasia's here in Rochester while developing dance projects and choreography in her personal time. She had planned to teach dance at Anastasia's Spotlight Dance in the fall. Ali WAS dance.

Alison enjoyed working for Pontillo's Pizza in Chili Center from 2016 through 2018, she also worked at Hollister in Marketplace Mall and more recently for Red Lobster in Henrietta.

We love you Princess Ali.

“ Greg, Lisa, Frank, and the rest of your family. We are so incredibly sorry for something the word loss doesn't come close to explaining. She was a beauty, and you were such a gift to her as wonderful parents and a wonderful brother. It's a tragedy like this that only God can understand. Please have faith, please hang in there. You are all SO LOVED.
