Very sorry to hear about Andy's passing. He was my boss and mentor at Case Hoyt in the 80's. Andy had a wealth of knowledge of the printing industry that he was very willing to share with me. I appreciate that time with him during the early years of my career. My sympathies go out to Ann Marie and his family

I considered Andy a mentor and a friend, he was the most knowledgeable person that I have had the pleasure to work with in my 49 years in the printing business. My sympathies to all of his family and friends.

Anne Marie - Very sorry to see this news as we will miss seeing Andy (and you) at the Sunday morning mass in Naples. We always enjoyed seeing you there and around town. Like the posts on this site, I will never forget the way that Andy ran the Case Hoyt web plant in the early 80's. There was no mistake who the boss was - but over time I got to realize that he was also a really nice guy in addition to being able to manage a big organization. My best to you and your family.
