“ To have known Annie was to love her. It is hard to put into words what a wonderful and beautiful person Annie was. She loved her Norm and was very proud of her children. I send my deepest sympathy. I think back to the days working alongside Annie at RGH. She brought comfort and excellent care to her patients and to their families. She was compassionate, skilled and dedicated to our profession. She was so kind and gentle. That said, I best remember Annie for her amazing sense of humor. She had this incredible ability to make people laugh, and to find humor in almost any situation. That was a priceless gift to those of us who worked with her, and to all who had the good fortune of knowing her. I am sure she has the angels and St. Peter and probably Jesus himself laughing at the irony of some situation here on earth. Fly high, Annie. Thank you for the memories. You are loved.

“ To Norman and family, my deepest sympathy on Ann's passing. Ann and I went to nursing school together and worked together for many years at Rochester General Hospital. She was such a great nurse and friend. She was always willing to give a lending hand. She could make me laugh, which just seemed to come naturally to her. I will never forget Annie, and I know she left a lot of love on this earth. She will be forever in our hearts. Rest in peace Annie. Sue Money Penny
