“ *Arnie, or "Uncle Arnie" and the rest of the Phillips family welcomed me as one of their own almost 5 decades ago after my parents passed away.
I had so much fun and made so many memories at family gatherings, vacations, or just visiting. I was so fortunate to have great men like him to learn from as I got older.*

“ *For more than 34 years, Arnie treated me more like a son than a son-in-law. I'm forever grateful for the time we had together and for all the things he taught me. Some of my favorite memories are from hunting, fixing things, working in the garden and activities with the grandkids. It won't be the same without you. Love you, Arnie!*
