“ *Barbara Jean...you were the best. thanks for the countless sleepovers and rides to roberts, basketball, and Marketplace Mall. Thank you for always lending Jared your speedy little maroon Nissan Maxima so we could cruise around and be irresponsible teenagers. Thank you for the MC Hammer tape. Thank you for all the Jello cakes that are now a staple in my family. You were a huge part of my childhood, and I miss you so much already. Say hello to Hanna for me! Until we meet again...*

“ *"Barbara Jean" I don't know where to begin as I was not ready for you to leave us so soon. We had so much more to do! The memories and times we spent together I will cherish forever. Our daily talks until Kent would say who are you talking to "Marlene" that was his way of hinting get off the phone! No matter what life threw at you it never took that beautiful smile off your face. You will be missed dearly but we are not finished until we meet again!*
