“ Please accept our deepest sympathies from Bernie's Friends of Strong Memorial Hospital family. “Bernie” volunteered in patient discharge from November, 1991- September, 2015 and served for over 2500 hours in that important role. Bernie truly touched the loves of hundreds of patients, families and staff during his time with us. What a kind and generous man- all of us here at FOS feel so lucky to have known him....rest in peace, Bernie.

“ Jenny, Jim, Patrick, Sarah and family,  
Our thoughts and prayers are with all of you at this time. Your father(grandpa) was so blessed to have so much love and support throughout his lifetime. You should feel great comfort to have been with him during his last moments. Your family was so incredibly dedicated to providing the best life possible for him.

With much love,
