“ Going to miss you beyond words gram. 102 years is a long wonderful life but it still hurts that you are gone. As she would say when I would call and tell her someone passed. "They lived a good life, and I could go at any time" ..we'll that time has come and I guess god was finally ready to welcome you back home. I hope you are reunited with grandpa , Leticia, and all those that have left before you.

Love you to pieces and pieces and bits and bits.

Rest easy my beautiful grandma.. love Michelle
