“ Beverly and George befriended us shortly after our marriage and we were part of their home Bible study. She's been a dear friend ever since. She was always there to lend a helping hand, especially when our babies were born and to support us in prayer. She shared her life and history with us and was a great mentor and spiritual "mom" to Denise. We will miss her and her wisdom. She leaves a great legacy!

*We're sure the Lord has welcomed her with, "Well done, good and faithful servant!"*

*We send our sincere condolences to Jon, Jo and family.*
