“ *What a wonderful tribute to aunt Bonnie! The photos capture her essence so well... active, kind, always smiling & friendly and boy did she love her community, animals, pups and family! And a prankster too; I fondly recall her spunk & shenanigans esp. during the year she lived with us. Aunt Bonnie was the big sister I never had, tiffs and all. Her spirit can't help but live on in all the lives she touched! I ❤️❤️❤️*

“ *Lion Tom,
I am so sad to hear of Bonnie's passing. Bonnie and I shared many activities between her involvement with Churchville Lions Club and then our respective LEO Clubs. Her smile and activity level were contagious and it was always a pleasure to be with her. She was a great youth mentor. May she now rest in peace. My prayers are with you and your family.*

“ *I'm so sorry to hear of Bonnie's passing. It's hard to believe that she's gone, even though I haven't seen her in a very long time. I have fond memories of working with her at Chili Animal Care and of DOTCORN activities.*

“ Tom I remember when you and Bonnie moved in a couple doors down from my family home. And then when Joe and I bought our home from my mom over 30 years ago, we were again neighbors. I watched Deanna grow from a baby into a wonderful adult. Heck I babysat her when she was a toddler and little girl. Our families have been intertwined for over 50 years! That's a long time. I always enjoyed visiting with you all and consider you family. Please know I'm still just a couple doors down if you need anything! Bon was a great human and a dear friend. She will be missed by so many of us that were lucky enough to be in her orbit. May she now rest in peace and may you, Dee, Ashley and Dylan find comfort in your family and friends.

With love,
Mary Catherine

“ Bonnie, I loved you like the sister I never had and I told you that many times. I still cannot believe you are gone, I look for your texts and they not there any longer. I still cry for you, I hope it was an easy death as you told me you wished for. You were one amazing caring woman! Deanna, Ashley, Ellie, Scarlet and Daisy are welcome to come for a swim any time this summer, and yes I will watch and be careful for Scarlet's paws. May you rest in peace and know you were loved.

“ *What a sad, sad loss! One of the kindest people I ever met in the dog world! Always a smile and kind word. Would always find her volubteer her time at every dog show when she wasnt showing her own dog. Enjoyed camping next to her and Tom at dog shows. My heartfelt sympathies to Tom and the rest of her family. Laurie Danboise-Denny*
