“ We met years ago, working at East High. She was such a help and comfort to me and I'm glad we stayed in touch, but I always missed not seeing her every day at work. Her prayers were generous and powerful and I will miss our conversations. My deepest condolences to Andrew and family. Brenda, until we meet again, ❤️.

It was a pleasure working with Brenda at East High School. She had such a beautiful spirit . Always encouraging others no matter what she was going through herself. Thank you for the beautiful smile and hug when I saw you for the last time at Walmart . My condolences and prayers to Andrew and the family.

“ *In high school, we were in band together. She played the base drum and I played the Sousaphone. We worked good together to keep the beat. She was a great cousin.*

“ *I grew up across the street from Brenda and family in Westfield PA. She always was smiling and was friendly and kind to a younger neighbor girl. Trust she is in the arms of the LORD.*
