Because of the wonderful loving care Mom received from our sister Barbara, she was able to remain in her home until the last week of her life. The family wants to thank all of the special staff at Lifetime Care Hospice and Park Ridge 4200 and finally a special thanks to our neighbor Matilda for all of the love, care and great food she provided for Mom. Mom's greatest joys were being with her family and doing for others. She loved to do special things for those she cared about. In memory of her, do something kind or special for someone you care about or make a contributions to Lifetime Care Hospice or a charity of your choice
