“ I grew up 4 doors down from Carol on Ramblewood Drive. I've know her my entire life and we were friends for over 60 years. I have so many fond memories of our childhood together. I will always remember her kindness, beautiful smile and wonderful laugh. My deepest sympathy to all of Carol's family. Leonard I know how hard it is to lose a sister. My thoughts and prayers are with you and your family. May she Rest In Peace.

“ Aunt Carol, you will be missed. I remember vividly some 20 years ago when you "helped me" plan my parents anniversary party as a child (and did most of it, obviously). Your desire to always do things bigger and with some style is irreplaceable. Whenever things got rough or needed a little home cooking in the Alcott family you were there. Rest In Peace.

“ As the husband of Carol's brother, and living in Florida, I only had the pleasure to visit Carol twice on vacations. She was so gracious, and immediately, welcomed me into the family. I will always remember her for that, and for her kind and loving heart.

“ CAROL

Carol is, truly, an angel. I had always thought so. She is one of the kindest, gentlest souls that ever walked the face of the earth, and this is no overstatement given by a loving brother. All you need do is ask anyone who knew her. She was, so completely, self-sacrificing - always thinking of others before herself. Carol is an amazing spirit. Her soft light emanated from her body, and warmly enveloped each person she met. She lifted us up, and by her example, inspired us to become better spirits ourselves - she still does.

"Carol, until my own death, I will miss, and I will mourn, your physical presence. Your wonderful light, though, will never diminish. Your compassionate spirit will continue to live in my heart and in my soul ... and it will embrace me and guide me - forever."

"I will always love you!"
