“ *Dear Bob and Family,
I am so sorry to learn of Carol's passing. I have fond memories of her uplifting presence and sweet demeanor during the time we worked closely together. May her years of being your person come regularly as delightful and fun-filled memories, throughout the days and months ahead....bringing you peace and moments of enjoyment.... realizing how fortunate you were to enjoy her love and support for such a time. May God's light shine in the windows of your life and his grace keep you whole and grateful.
I will keep you in my thoughts and prayers....
Blessings your way.... Bill*
