“ I have fond memories of Carol, sharing early years in band and visiting each others homes , a fellow member of Mt Vernon High School 1962 graduating class . Remenbering most of all her kindness and gentle smiles. Celebrate a life well-lived, my deepest sympathy .

“ What great times we had - crazy handbell times with St. Mary's bell choir - lots of traveling to play including the REedWings games and the Hockey games playing the national anthem. WE had a million laughs together including sewing trips and classes. What a wonderful time I shared with her - I will cherish it forever and remember her smile and laughter. I hope you share good memories as well and time will bring you peace. What a gift she was to me - I'll hold it in my heart.

“ My condolences go out to Carole’s family. I first met Carole and Dan nearly 30 years ago. It was kind of like “love at first sight.” Carole was filled with hugs and genuine kindness. She will always remain as a treasured memory in my heart, and at God’s appointed time I will join her in the loving arms of our Saviour.

*This world has lost the light of Carole’s presence, but I am certain that all of us who knew her can find strength in the memories we share. May each of you find God’s comfort through this difficult time.*

*Donna*
