“ I am shocked and devastated. Carrie and I had so many good times when we were young. She had the most charming smile and laugh. She was beautiful inside and out and I was proud to call her my friend. So many memories I don't even know where to begin. My deepest condolences to the Boscarino and Sura families. Such a tragic loss of the most vibrant woman. I love you forever, Carrie.

“ Words can not express what has happened. You will be missed by so many. You have touched the lives of so many of us. I always knew Ryan was in good hands when he said he was with his group and you were driving them. You were there for those kids at the drop of a hat. Our thoughts and prayers go out to the family.
