“ I will miss you dearly Lolly❤️
You were my mom’s best friend
and cheerleader and you will
always be my hero.
Your love and light in this life was so strong and now flows
continuous through your generations
I grieve for your absence
and phone calls that I’ll miss
But I am thankful because My heart is better and much stronger for
having had you in my family’s life
I’ll cherish every recipe, cartoon clipping, that you shared with me
and endless stories of the pride that you expressed about your
family always 😊 and rightfully so❤️
My condolences and
Love to all the Laglia clan
and friends
Happy trails Lolly 💖

“ Nana was such an important part of my life. From looking forward to
all of our christmas and birthday gifts in the mail to being with her in
Rochester and eating her amazing chicken cutlets and sugar
cookies! I always looked forward to coming up to visit especially
going to her house because it had such a comforting feeling. I miss
her so much and I know she is more than happy in a much better
place. Along with her closest family members, she is in my prayers
every morning and night. I love you Nana❤️❤️
