

Cathryn Ann Lewis

June 1, 1938 - May 16, 2026

Cathryn Ann Lewis

North Chili: Saturday, May 16, 2026 at age 87. Predeceased by her husband, Harry; and son, Robert. Survived by her children, Timothy (Brenda), Brian (Jamie Ellison), Susan (Jody) Patchen and Kimberly (Larry) Weingartner; 13 grandchildren; numerous great and great-great grandchildren; and many nieces, nephews and dear friends.

Cathryn passed away due to breathing complications surrounded by her loved ones. She was born on June 1st, 1938 in Buffalo, NY to Cazamer and Ethelyn (Banks) Crouch. She was one of two children. After she graduated from high school in Long Island, she attended college at Roberts Wesleyan to pursue a career in nursing. She met the love of her life, Harry Lewis, during her first year and they were married on December 14th, 1957. She had five children and became a stay at home mom. She loved being a mother and would've had many more children if she could have. Although she didn't give birth to them, she became "mom" to many. Everyone she met, knew her life story and she would often tell you she loved you even to strangers. Cathy had an intense love for Hallmark and was their biggest customer. She grew up in church and learned the love of God which only progressed with age. She wanted nothing more than her loved ones to spend eternity with her in Heaven. What a blessed reunion she and Harry must be sharing.

At Cathryn's request, services and interment will be private. In lieu of flowers, memorials may be made to LBDA.org (an association that provides care and

research for Lewy Body Dementia)

“ Cathy was a beloved family friend since 1964. Her friendship with Joyce was very special. They supported each other through many different seasons of life and were each other's confidant. Cathy will be remembered for her friendly and sweet nature and abiding love for her Savior, Jesus Christ.

My family has known their family a long time. We played together when we were kids. Jamie took care of them for a long time. She would cook dinner for them and do what ever was needed. My condolences to their family.
