“ *Uncle Chuck, as he was known to me, was a great man that taught me a lot over the years. He helped Me and my family whenever he could and watched out over them while I was deployed. He and his wife Mary were one of the big reasons we moved to Chili. We are so glad that we did. The visits we had with them and the love shown to my family.*

“ I’m so very sorry to hear of Charlie’s passing. He would drive by my office every morning and say good morning, whenever he had a cell phone issue he would drop in for help. But my favorite was the Charlie concert I heard from my office every evening. He loved to sing and I enjoyed listening. He will be missed.
