“ Aunt Christine will always hold a very special place in my heart. She gave me so much love over the years, and I always looked forward to our visits to see her and Uncle Gary because I knew there would be lots of laughs and hugs and good stories. I will always think of her smiling and her mischievous giggle, especially when she was telling a story about something she had done that she was not "supposed" to do. I love her with all of my heart and I will miss her tremendously. She was my godmother, my aunt, and a beautiful human and I will always keep her memory close.

“Christine was like a sister to me and we shared a lot of good memories and laughs over the years. She had such a big heart and always ready, willing and able to help anyone who needed it. She was a very special and beautiful person and I will truly miss her. Family was everything to her and she was a great wife, mother, sister and friend. I know you are in a better place now and free of all your pain. I love you. Rest in peace sweet girl. Gary, Tim and Lowell, I am so sorry for your loss My thoughts and prayers are with you always. Love, Paulette
