“ *I met Cidalia when a friend told me of this AMAZING seamstress. I took my alterations only to her. From the moment we met in the late 70's I knew I never wanted to lose touch with her - there was something about her - a warmth, a genuine caring that can't be put into words. I moved to NJ in 1986 to get married but we never lost touch all these years and for that I am grateful.*

She was an INCREDIBLE woman, wife, mother, friend and seamstress all rolled into one. God surely created a wonderful woman for us to love and share.

My deepest condolences go out to Chris, Adam and their families as well as to all that knew Cidalia. I know she is at peace and in no more pain. I will miss her always
