“ *My Condolences to all of the Embling family for your loss. I knew Dallas through Steve (whom I worked with in the late 70's) and as I recall we bowled together at Gates Bowl for a season. Dallas was a nice person and always enjoyable to be around. Although we lost touch after that, I would often drive by his house on the way to Churchville Golf and see him out in the yard with his wide-brimmed sun hat on. It always gave me a smile.*

“ *Embling family, What an honor to have known Dallas through Daryl's family. He was always so pleasant to be around when I visited. In looking at all the pictures, it's clear to me that he loved his family very much and the memories you all created will last your lifetime. God Bless you all, sending prayers and hugs from Tennessee.*

“ Dallas was a valuable member of the Lions Club of Chili. He withdrew from membership when he felt his age prevented him from giving 100%. He was a hard working Lion who always was on our Christmas Basket committee. He was on the Community Needs committee and was a regular volunteer at our Medical Loan Closet. We were very blessed to have known Dallas.
