“ *Dan was such a wonderful man and always willing to lend a hand with a cart or just some advice when needed. I have always referred to him as the gentle giant. He was very much a family man always talking about his beautiful girls and wonderful wife. He will be missed by many. Till we meet again fly high my friend.*

“ My heart breaks to hear the loss of Dan. He was an extraordinary man. We shared some fun times together camping and knighthawks games when our kids were little. Dan spoke few words, but he was definitely a family man and loved his girls. He had a heart of gold and was always willing to help his family & friends however he could. Dan will surely be missed! “ My deepest condolences go out to All of Dan's family. I first met Dan and Laura at our campground. They were neighbors and always had the "fun stuff" that the kids loved to play on. He was always involved and you could tell his girls all adored him. He took care of everyone's golf carts and was willing to lend a helping hand. Rest in peace Dan and may the memories your family carries always put a smile on their faces.

“ Dan -

*David and I feel so honored to have met you and to have spent many times camping with you and the ladies over the years at Darien Lake, Jellystone, and Gravel Ponds and for all the kindness you showed my son when he was little and very rambunctious. He still remembers the inflatable water slide and you letting him go down, "just one more time, Alex" which turned into 50 more times. We appreciate all of your trailer tips and suggestions. We'll never forget that turkey you cooked at Jellystone in the Infrared cooker! We thought that was the coolest thing ever and ran right out to buy one. We faithfully use it every year and always think of you. Thank you for being an excellent husband and a safe place to land when needed for my childhood friend, Laura, as well as a devoted father to McKenna and Natalie. Rest now, sir.  
Love, Karla, David, and Alex Smith*
