

## David Frederick Walch

August 5, 1946 - December 30, 2021

Sunrise: August 5, 1946 - Sunset: December 30, 2021

David was well known and loved within the Finger Lakes DDSO family. He lived at 3 Whittier Road IRA with five of his fellow peers and staff who supported and cared for him as their own. David could always be heard from afar due to his baritone voice saying "light clear, light blue and goodnight Tiggy". He loved his coffee and would often steal staff's coffee and brag about it later. David will be sorely missed and remembered for all of the days to come.
