“ I grew up with David on Sunnyside Dr. David always had a generous heart and so did his mother. She and David would pick me up and drive to McDonald's for a cheese burger and fries. We played and rode our bikes up and down Sunnyside. When I moved to Texas in the 80's we kind of lost touch until my mom passed. David met me at the airport gate and took me to the hospital to see my mom's last moments. I'll never forget that generous Big Heart of his. He was truly a good friend to know. He shared photos of his favorite band stars on Facebook and pictures of his cruises. I enjoyed and was jealous and the same time. He will be missed. Some day we'll meet up again. Rest with our Lord in peace buddy.

“ Our prayers and thoughts are with Eileen and Alyssa Wingard at this time. It has been a difficult road for the Wingard family; Mary and I pray that God's magnificent grace will bath and sooth you with the peace only He can give. We'll definitely miss David's smile at our R-H friends gatherings, his fiery candor on Facebook, and chronicling of his wonderful and wide wanderings throughout Monroe County, Upstate NY and beyond (we always loved walking through is pictorial postings!). David made the most of life as he battled his illness, and his strength through it all was most admirable. Most importantly, David always spoke of his love for his Lord and Savior Jesus Christ, whom he now sees face-to-face in the glory and splendor of eternity.

Thank you David for your friendship and lasting memories ... until we meet again!
