“*Dee was a remarkable substitute teacher at CCCSD. Many teachers refused to take sick leave unless they knew she was available. Dee was extraordinary. She came into a classroom like Mary Poppins, bringing order out of chaos, setting high standards, but always with that spoonful of sugar - enjoyment, a positive attitude, and genuine respect for students. She had an inner light that radiated warmth and calmness. I'd like to think Saint Peter may finally get to take a day off now that Dee is there to sub for him.*”
