“ *Debbie , you'll be thought of often from all the friends you've made in Rochester these past 50 years.(Of course you're with some of them now) And the rest of us will all , join you at some later date . I'll bring you one of those Iowa newspapers I used to pick up on my X-Country trips. You always enjoyed them so. I'll specially miss our B'Day lunches . As ever Deb ; your good friend J.C.*
