“ Chuck and my dad grew up together and stayed close friends for their lifetime. They went to school together. They were in the army together. They went out to dinner and took vacations together with their other St. Lucy's friends. They had Saturday breakfast together. Chuck visited my dad often when my dad was sick. We cried together when my dad started hospice, I know my dad would have been there for Chuck at the end. That's the kind of friends they were. Mostly I remember that Chuck was always kind to me and made me feel special. We will miss you Chuck.

“ Chuck had a huge impact on our whole neighborhood when he had the Corner Store in the South Wedge. He made so many friends because he was so kind, funny and full of wisdom. Along with his brother Louie, you could always count on a good conversation and a lot of laughs. My whole family is saddened to hear of his passing but know he's up there having a great time with the locals who are already up there. RIP Chuck ❤️

“ CHUCKSTER WAS ONE OF A KIND! I grew up with the Mezzopretes (Dan) and he treated me as well as Dan's other friends like we were his own. Dan clearly got his sense of humor from his dad. A very kind and generous soul he will be missed but NEVER forgotten. God opened up a new convenient store in Heaven. Believe it or not its called Mezzos! Thoughts and prayers to all the Mezzos.
