“ I was so sorry to hear about Don passing. You can see all the love your family has for each other in the beautiful photos. What gorgeous grandkids too! I have many sweet memories of visiting with Mom and Dad and my sister when we were kids! We had fun playing games and chatting. I'm so sorry for your loss, Gloria, Donnie, Eileen and family! May you be comforted with all the nice memories.

*Love and Hugs,
Kathleen*

“ My father, Don Godin, also a fireman in the city, thought the world of your husband, father and grandfather.
 I immediately recognized his name because my father used to say it so often...”Donnie” is what he called him, and your last name would often be added on. Our family understands your loss, and the obvious love you shared as a family from all your wonderful pictures. They were both family men who we miss deeply now. I wish you much love and comfort in the days ahead, and even some laughter as you remember the happy memories.
 With sympathy,
