“ I have been missing you, since I have heard that you are gone. We go so far back, starting with the old neighborhood. Then us at Franklin, that was fun in our classes. Then the both of us at RG&E. Your house on Onieda, visiting you there. Then your move to Portland Ave, in Irondequoit. I already miss our talks, sitting on the stoop, talking about your canning, RG&E and our dogs. We had alot of great talks and laughs. My dear old friend I Love & Miss you dearly. 🥺🙏
