“ *I am truly for your loss of Dorothy..I worked with her on the switchboard at Parkridge and she was just the sweetest person always very helpful. In fact she helped train me. She was great with the doctors and the patients families. She always spoke highly of her family, and even told some funny stories of her teaching...Pat Gleason*

“ I was strolling down memory lane looking at pictures of mom and dad when they were young. Mom so pretty! Dad so handsome. It's hard to imagine your parents had a life before the kids were born. You know mom went SUNY Brockport and received her bachelor's degree. Then a teaching certificate. I can still remember the click/clack of the Smith/Corona typewriter as she typed term papers at the kitchen table. No spell check back then. Mom taught fifth grade at the Honeoye Falls / Lima school district. Mom also worked at Rochester Telephone and St. Mary's hospital. The majority of mom's career was at Park Ridge hospital in Greece. All while raising three kids. There's a Shinedown song titled "how did you love". Some lyrics are, noone gets out alive, everyday is do or die, the one thing you leave behind is how did you love...how did you love...how did you love. If mom loved you, you certainly new it. Oh, by the way, the name Dorothy means, "gift of god". Love always, your son . Bobby Cain
