“ Dear Chris and Tom, You know how much your Mom meant to me. She was a great friend. Our once a year lunches lasted at least 4 hours, seems we never had enough to say. Her love for you and her family abounded. She has left me with so many wonderful memories. We shared much laughter, some tears, hopes and wishes. I was blessed to have called her friend.

“ Dear John, We can't imagine the heartache you and your family are going through, but especially you. Loosing your life partner of over 52 years must be very difficult. She was a fun, lovely lady. May God be with you throughout this difficult time.
