“ *Dr. Dadey was the superintendent at Gates Chili when our children were in school. He was wonderful. He spent time visiting the classrooms and talking with students, teachers, and parents. He was a kind and caring man. We are so sorry for his family and the community for the loss of such a wonderful man. We hope you find comfort in your memories of him. "Those who live in hearts that love, never die."*

“ *The Gates Chili has lost a real servant and leader. As a GC teacher, I was asked to be on the search committee for a sup't. As we read resumes and interviewed, there was no doubt that Dr. Dadey would be our pick.
Throughout his years as superintendent and into his retirement, he served GC so generously.
May the Lord surround you as a family during these days of adjusting as you go on without him. Thanks for sharing Dr. Bill with our community.*

“ I am so sorry for your loss. It must be difficult to continue on with out him. Know that I and my family are praying for you. Aunt Ann I remember all those years ago meeting you for the first time down at Stolp avenue. How much Gertrude to you ,Grandma to me, liked you and thought you were the one for my uncle. It was mentioned in his obituary that you are planning a mass of celebration at a later date.I would like to participate in that please keep me in mind when you have a date. Thanks and I will finish with one of favorite prayers from St Teresa D'Avila Let nothing disturb you. Let nothing frighten you. All things are passing away. God never changes. Patience obtains all things. Those that possess God lack nothing. God alone suffices.

“ So sorrowfully touched by your family's loss. Memories abound in the entire community as his touch was felt in countless ways by innumerable people. Know that many feel your loss and stand ready to assist your family in any way you may need. May God bless him, and keep him; may He make His face shine upon him and be gracious unto him; may He lift up His countenance upon him and grant him eternal peace and love...and may the peace that surpasses all understanding be with your family as you celebrate the gifts you received prior to his birth into Heaven.
