“ I have such fond memories of Drew from our days at William J. Gillette Elementary School in the Rush-Henrietta School District. He was kind, compassionate, friendly... and had the best laugh. There was not a mean bone in his body. He was a wonderful example of what it meant to be a gentleman, both in the classroom and on the playground. I have thought of his kind spirit many times over the years. I am sad to learn of his passing. My heart goes out to his friends and family, especially his wife and daughters. May Drew rest in eternal peace.

“ I worked with Drew back in the late 1980's as a letter carrier at Thurston Station. It as the first station that I bid into as a PTF and then as a regular. Drew was the nicest guy, helped me when I had questions and problems, There were many days that I thought there was no way I was going to be a letter carrier. He said I would and could. And I did. Later on in life, I would pull up to the toll booth that he was manning on the thruway and we would chat as best as we could if there wasn't a line behind me. Drew you will always be remembered fondly as a friend, a coworker, a family man. My sympathies to Drew's family, he will be missed,

“ *I never really got to know Drew very well until about a year and a half ago. Been friends with Rose for so long. But I remember of the few times I encountered Drew was that he was gentle, sweet, caring and you knew how much he loved Rose and his girls. So glad to have had a change to know him.*
