Private Service and Interment at the convenience of the family.

My mom, Eileen Townsend Jenkins was born on October 11, 1926 and passed away peacefully on September 9, 2019.

She was predeceased by her loving husband of 65 years, Eric (Papa). They were the couple that was always together-

no one ever saw one without the other.

She was a loving mother, grandmother and great grandmother who was born in Llanelli, South Wales, U.K.

She was married to Eric in 1952 and had one daughter, Christine. The three of us came to America in 1958 and my parents

made a good life for us. They worked hard and eventually enjoyed annual trips back to Wales to visit the family they left.

My mother had six sisters and many nieces and nephews. She loved catching up with the family from year to year. Family

was the most important thing to her.

She was a wonderful mother to me, Nana to Eric and Emily and Great Nana to Annabelle, Dylan, Nora and Audrey.

She will be so missed but we take comfort in knowing she is with Papa again. They are probably having a cup of tea

together right now. We love you Nana and Papa.

Eileen's family would like to thank Patrick Place, a comfort care home in Scottsville, NY for providing a loving and

comfortable place for my mom to spend the final days of her life. A true blessing for the family.

Thank you for considering a donation to Patrick Place in her memory in lieu of flowers.
