“ We have lost a wonderful, caring friend and employee who fought hard these past eight years to fight a terrible disease. I have had the pleasure to know Eileen as she was one of my sister Christine’s childhood friends and we worked together at Coopervision for several years. Eileen was such a dedicated employee she would come back to work on the same day that she had her chemo treatments. Eileen was loved and admired by all of her co- workers and anyone who knew the challenge she was facing. I will miss our friendship and conversations. I wish Max and and the boys the strength to get through this difficult time❤️

“ I am so deeply heartbroken for the loss of my childhood friend Eileen and extremely saddened for Max, Collin, Kyle, Mrs. Veltz, Tommy, Mark and family. My sincere condolences go to all. I'm going to miss our conversations, road trips and all the laughs we had. You handled your terrible journey with strength, determination and grace, with your will to keep living this live on your terms and to be persistent as long as you could be. I will miss you and hold your memory in my heart forever, especially when I hear "your song", as you always said it was, "Come on Eileen...." I know you will be watching over your family now are finally free from that terrible pain. Love you my friend.....be at peace. Chris Gear

“ We have lost a beautiful person and gained an Angel. We will remember Eileen as a ray of sunshine and positive energy. She was an inspiration to everyone who knew her. I was so inspired by her determination to make the most of every opportunity to experience the joys of life. Rest in peace sweet Eileen.
