“ To the Daley family. I was saddened to read Elaine passed away and only 3 month after Jerry. We go back many years, St Agnes High. We did stay in touch by way of Christmas cards. Distance separated us. I will pray for all of you. God blessed you with great parents.

“ *The Daley family got everything right, but one. The only thing they got wrong was that the last name should have been DAILY. There was not a day gone by that Jerry and Elaine were not daily participants in the lives of St. Pius Tenth parishioners. They were part of the cornerstone that built our wonderful parish. And I remain delighted and enriched to remember and pay witness to the so many days in which we remained connected through the SPX family and the Daley family. My heart goes out to all you, knowing that with Jerry and Elaine now in God's eternal embrace, the path for us has been made much more easily accessible. God bless you all that we now have two to make our steps to heaven that much easier!*
