“ *My husband Rich and I will miss Ellen immensely. Such a sweet and loving lady. Rich worked with Ellen at Kodak for many years. We so loved her cheerful personality, bright smile and what a great decorator. She had an eye for decorating for sure. Now you can be with Bill. Miss you Ellen ;( Viviane & Rich Walter*

*It saddens me to hear of Ellen's passing. She has been a trooper through the trials of life. I knew her from working at Kodak Office and socially got together with she and Bill with another couple. We had some fun times together. Two of us visited Ellen just last summer at Bay Wind and she took us to her adorably decorated apartment and finely set table for dessert. She was quite the hostess and decorator. I am deeply saddened to hear of her passing. She loved her family. Best

*Words cannot express how heavy my heart feels. Ellen was, and will always be, a treasured friend for some 50 years. We shared so much all these years. With Kerrie, Leisa and Krysta, and all the other members of her family, I celebrate her life but mourn her loss ... always...*
