

Emmy Annalee Foster

December 12, 2024 - December 12, 2024

Emmy Annalee Foster was born on December 12th 2024 at 7:48 pm with angel wings. Weighing 6 pounds 2 ounces and 19.75 inches long, she changed her families world. She is survived by her parents, Shea and Jason Foster; four legged brother, Bruce; grandparents, Mark and Teri Walsh, Tracy and Darrell Brooks, and Ken and Debbie Foster; great grandparents, Randa Foster, Carol and Dan Collins; so many loving aunts, uncles, cousins and special friends. She is predeceased by her great grandparents, Paul Foster, Marie and Robert Walsh, and Joan and Robert Forth.

Emmy loved listening to country music with her parents, attended many concerts, bills games, weddings and events all in the safety of her mommy's belly. Emmy was a beautiful mix of her mom and dad, and the perfect addition to her family. Emmy always knew how special she was to her Mommy and Daddy and the love they gave her was beyond compare. We all have such a hole in our hearts and beings that hurts like nothing ever in our lives. Emmy please know we do not want to let you go but cannot stop you from leaving us. We know that you are going to be loved by all who have left us already and miss you more than anything. We love you to the moon Emmy.

Family and friends are invited to call Saturday, December 28th from 10am-12pm at the Leo M. Bean and Sons Funeral Home. Prayer Service to follow calling at 12pm at the funeral home. Private interment.

“ How lucky were we to have Emmy along with us for her Auntie Steph's girls trip ❤️ Not many angels can say they had a beach picnic, took a ride on a tiki boat, enjoyed some of the yummiest mocktails in WPB, joined a pool party, had a sleepover with her auntie every night, and ended the trip with ice cream. We hope you all hold the memories with her close and give you comfort during this time ❤️ Court, Karo, and Liz
