“ Sending my sympathy to the family...particularly to Brad and to Joyce since I know you personally. I knew Esther through my work at the American Baptist region office. We had a lot of friendly chats during that time; she was a lovely lady; may she rest in peace!

“ I met Esther at the Chili Historical Society and had the pleasure of getting to know her and Al for many years. I would stop at their house to talk Society business and remember the large window in the fr. with all the colored glass. There were many pictures of their large wonderful family. A wonderful sweet lady!!! My sincere sympathy, Priscilla Beeman

“ I spent my teen years growing up on Whittier Rd. In Ogden across the street from The Fiege family. As one of the neighborhood moms, Ester was always kind and thoughtful. She and my mom were good friends. She will be missed, but good memories remain..

“ I bowled with Esther. What a delightful person. She would have our team over to her house to celebrate our birthdays with a lovely lunch. She had a fabulous sense of humor. She loved her family and was so proud of them. She would tell us the latest on her grandchildren. What a wonderful woman. She will be sorely missed. ❤️

“ *I was so sorry to just get the word of Esther's death. I worked with Esther at the Fairport Baptist Homes Women's Service Board for 26 years. For several years when Esther was not able to drive any more, I would take her to our monthly meetings. We had a lot of good chats. She had a big heart and devoted a lot of time at FBH. I have been battling Non-Hodgkins Lymphoma for several years and was no longer able to serve at FBH -- nor was it wise for me to try and visit Esther at Grandevile. I did send her a few cards which I hope she enjoyed. May God's love and the love and prayers of friends help her family through the days ahead. Blessings, Nancy K. Dean*
