“ *Mom, not a day goes by I don't feel your absence. I still can't believe you are not here with us. Some days are good but nothing can fill this emptiness I feel! I only know you are pain free and not suffering and that makes me happy. This month was your birthday and a year and 5 months without you. This month was hard!!! Love and miss you always ❤️*

“ I can't believe it's been two months without you. I miss your humor and the optimism you would always have in a situation. I miss seeing you everyday and you saying “cuidate mi nena” on my way out the door. If love could've kept you alive, you'd still be here. I miss you everyday Mom. Te quiero mucho mucho ☐

“ Mamá muchas gracias por risas y los buenos momentos! Un placer y un honor muy grande pad amo haberla cuidado. Muchas gracias por enseñarme que la vida es mucho mejor con una sonrisa! Me deja un hoyo en el pecho, pero yo sé que usted no quiere lágrimas, usted quiere carcajadas y risas! Y así la recordaré siempre mamá! Gracias por alegrarme las mañanas y las visitas en la clínica. Más que su enfermera, yo siempre la sentí como parte de mi familia, la quiero muchísimo mamá ❤️😭

“ Momma the most difficult time for us as humans has come. To say goodbye. But know how many lives you have touched with your love and caring heart. That’s why today we have Great memories that were made with you. We are sad that you are no longer with us . But you have come to the end of your race. The one you talked and Preached about. I’m sorry I was not there your last days in person but I was in spirit. Javier is a Great man because you showed him right from wrong. So fly high mommy we will watch over Carmelo and keep the family Together like You Loved❤️

“ Don't even know where to begin! Gigin was a mother to me when growing up with her beautiful daughters Wanda & Irma. She was the calm Mom as my Mom Elizabeth was the not so calm Mom. All I remember was her soft voice saying No hagas eso que a DIOS no le gusta, when we would get in trouble.

When I last went to Rochester, I felt the need to go see her as something told me It was going to be the last time. That last day I saw her we spoke about the past and all our childhood memories and laughed the whole night. It was so nice being able to see you and hug you!

She was the most kindest Godly woman I knew. She was actually my Sunday school teacher and showed me that our sins go into a cup and sometimes it gets overfilled and the only one that can forgive our sins is GOD and we must repent and ask him to forgive us. That's why my heart is at peace and so know she is in paradise with our Lord 🌹🙏 For my sisters Wanda and Irma and brother Javier I share your pain and pray for you all and the family that you all feel comfort in these times of mourning but just know she is resting in peace 🙏 Love you all ❤️ Rest In Paradise my beautiful Mother, until we meet again 🌹
