

Florence Ford (Hutt)

Florence M. Ford (Hutt)

Churchville - Florence Ford passed away at age 77 on October 12, 2020. She is predeceased by her husband Arnold, her son Andy, her parents Rebecca & Kenneth Hutt and her brother Loyst Hutt. Florence is survived by her daughter Valerie (Dennis DeVito).

Florence attended Roberts Wesleyan College in North Chili and served in a number of positions after she had raised her family. She cherished the time she spent with her coworkers at Natapow in Rochester and eventually retired from there. Florence was active in the women's bible study group at her church, Open Door Baptist in Churchville and looked forward to sitting in the same pew with her girlfriends every week for the Sunday service.

Florence loved to spend time in the kitchen cooking and baking for her family. She would have a garden for fresh vegetables and to can for the winter months. She was a green thumb taking care of her beautiful flower gardens in the summer time. She also loved to have her little flock of chickens and wake up to the rooster's crow. Florence collected the eggs daily and enjoyed giving

them away.

Friends and family are invited to call for both Florence and her son Andy Ford at the Leo. M. Bean and Sons Funeral Home on Thursday, October 15, 2020 from 4:00 - 6:00 PM.

“ Florence was a wonderful, sweet cousin and friend. After Arnie passed, I invited her to attend with me all of the wonderful concerts at Roberts Wesleyan. We enjoyed them so very much as well as our time being together. We remember visiting the Ford family residence in the North Country so many times. My children remember especially joining in with the youth from their church for outdoor sled rides down a very long hilly road near their residence and then enjoying hot cocoa before bidding farewell. I will miss you, dear Florence, for only a little while.....soon, and very soon, we shall ALL be together to worship and sing forever of the Love and Grace that God has bestowed upon us through His Son and our Savior Jesus Christ!
