“ Vicky and family, my sincere condolence. Hearing of your loss of Frank has taken me by surprise, there are no words for a loss so great. We shared much time together from around 1983 thru until his retirement were we worked directly together for several years. As Jim Carroll noted we shared many laughs and work challenges. We connected and shared many conversations on cars and family. I pray for healing in the days to come and am thinking of you during this difficult time. (Attached are a couple of photos that I could find from a retirement luncheon at Hawkeye on the 27JAN2010.)

“ Dear Vicky and Family: Who can forget Frank? Always loving and caring since he was a young man who helped so much with the Cuban Lyceum of Rochester. I was blessed to say Hi to him just a few days before his passing. The Heavens will welcome him with peace and he will live forever in the House of Light. Love as always, Natalia and Roberto Cueto and family.
