

## Franklin L. Watson

January 29, 2021

Franklin L. Watson

North Chili - Sunday, January 24, 2021 at age 78. Survived by his wife of 50 years, Janice and daughter, Melanie (James). Frank was a Vietnam Air Force Veteran and a retiree of the NYS Dept. of Labor. While in the military, Frank travelled all over the globe. In his later years, he preferred spending time at home watching movies from his vast collection, which was made up of mostly Westerns and war films.

A celebration of Franklin's life will be announced at a later date. In lieu of flowers, memorials may be made to the American Diabetes Association.

“ Franklin was a cousin that I had never had the chance to meet. I hope that Janice and or Melanie might reach out to us.  
With our sincerest sympathy.

“ Franklin was my cousin. I fondly remember our childhood visits to Leroy and holiday parties with relatives. Although we were not a close family I often think of the good memories we had and my first airplane ride he took me on when we were kids. My thought to his family.
