“ Glenn, Gary, Lori - So sorry about your Dad's passing; he was a great guy and a great neighbor. Lots of memories from the old days on Cape Cod Way - I can still picture all the family at your house when the Indy 500 was on. It meant a lot to Rick, Greg & myself when he accompanied Lori to our Mom's service in December '22. Your Dad is the reason I'm a Cleveland Browns fan, and I share that with everyone who asks me:) - Bobby Spring
