

Gary T. Curran Sr.

November 25, 2023

Gary T. Curran

Chili: Saturday, November 25, 2023 at age 68. Predeceased by his father, Fred. Survived by his loving wife of 44 years, Kathy; children, Stephanie (Ryan) Ball and Tom (Jamie); grandchildren, Ethen, Braeden, Parker and Mason; mother, Charlotte; siblings, Mike (Nancy), Chris (Vern) Packard and Steve (Dorinda); several brothers and sisters-in-law, nieces, nephews, cousins and dear friends.

Gary was dedicated to his family, home, children, and grandchildren. A Navy veteran, he was proud to serve for 6 years and be stationed in La Maddalena, Italy. Gary retired from the United States Postal Service after 30 years of service with many different titles.

Gary cherished watching his grandkids play soccer and cheer. He loved woodworking and his fish (RIP Ms. Priss: Dec. 2, 2008 - Nov. 25, 2023). He traveled the world with his wife, seeing Ireland, Spain, Greece, Germany, Italy, and Hawaii. Gary enjoyed bird watching, chocolate, Tully's, vodka authorized Sunday's, and texting "Stupid Trains" to his family group chat every time he had to stop and wait for a train crossing. He left the way he always said he wanted to go—surrounded by family, in the comfort of his own home. His nieces and nephews describe him as "the best goofball they knew."

As Gary said in his own words, "Well, after 42 years we have a lot to smile about... good living, great kids, and even greater grandkids."

Family and friends are invited to call Wednesday, November 29th from 3-5pm.

Funeral Service to follow calling at 5pm at the funeral home. In lieu of flowers, memorials may be made to the American Cancer Society.

Gary's passing marks the end of a life brimming with impact and purpose. His unwavering dedication to family, service to country and unwavering beliefs has left an indelible mark on those fortunate enough to have known him.

A devoted father, he nurtured and guided two successful children, leaving a legacy of love and guidance that will endure through generations. He deeply loved his wife and was a devoted son. For His mother's 90th birthday he asked my husband to fulfill her wish to ride in a corvette and speed along the expressway with a good looking man. (I threw in the good looking man) LOL.

His commitment to his country shone brightly through his enthusiastic service, embodying the spirit of patriotism and dedication.

Beyond familial ties, Gary's compassion knew no bounds. When tragedy struck, he extended his heart and became a guiding light to a bereaved young soul, embracing both fatherhood and grandfather duties with boundless love and care to our family.

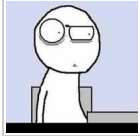

Gary was an unapologetic patriot, an ardent supporter of former President Trump, and someone who fearlessly voiced his convictions. His candidness and unyielding spirit earned him respect among peers and admirers alike.

His departure has left an irreplaceable void in the hearts of many. Gary's legacy stands as a testament to a life lived with authenticity and integrity, where words were matched by actions, and his footsteps left an indelible impression on the world around him.

In honor of Gary's memory, let us celebrate a life filled with purpose and compassion—a life that truly embodied the essence of being the "salt of the earth."

“ I worked with Gary for many years. He was extremely well-respected and always willing to lend assistance to everyone. At the bottom of his work emails, his signature said:

Gary T Curran
NDC Operations (HQ)
and a darned good guy

Even on tough days, that always made me chuckle. Plus it was very true!
