“ *Brenda and Andrew, Pete and I were so very saddened to hear of Gary's illness and then passing. We have so many good memories of you all. Brenda I remember you telling us when you were expecting Andrew, we rejoiced with you. There were ups and downs through the years, but God always got you through. Love and prayers, Pete and Sandy*

“ *Uncle Gary LOVED baseball and also Hockey. But his love of baseball is what I remember most. At family gatherings, if there was a game on...he had his little transistor radio (yes, this was a few decades ago)...listening to the game. I will also remember his laugh! That unique Wilkinson family laugh. But the best thing that could have happened in his life...Aunt Brenda!!! Uncle Gary was shy and Aunt Brenda was perfect for him. Just perfect.*
