“ *To all of Gloria’s family, it’s been too many years since we were kids & our parents gathered all the time with us...the tribe of kids! The feast in New Bedford, the beach at West Island, “camping out “ in Tia Lucy’s yard in Windsor... Treasured Memories!!! Family ! We are saddened at the loss of Gloria. She knew how to wrangle each of us. She was a fine lady. We were lucky to have had her in our lives even when we were so far away. We trust that God is keeping His promises to her. She is in paradise celebrating with all who went before her. What a party it surely is!! Love to you all.*

“ *Deepest condolences from the Alves cousins in Connecticut. We always knew it was an important family event for us when Joe and Gloria came from New York, and they did often. So many great memories with them and all the Rochester family. May her memory be a blessing to you all.*
